Notes:

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.

3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate

can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.

6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.groupsignet.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.

7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

8. In continuation to this Ministry's General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022, General Circular No. 10/2022 dated 28.12.2022, General circular No. 09/2023 dated 25.09.2023 and General circular No.

09/2024 dated 19.09.2024 and after examination, it has been decided to allow companies to conduct their AGMs through VC or OAVM till further orders, in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on Sunday, 27th September, 2026 at 09:00 A:M and ends on Tuesday, 29th September, 2026 at 05:00 P:M.. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Pursuant to SEBI Circular No.

(iii)

SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and

Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been

decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote

without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1 : Access through Depositories
CDSL/NSDL e-Voting system in case of
individual demat mode.**

(iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

2. Regulatory Mandate and Proposed Appointment:

Pursuant to Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and Section 204 of the Companies Act, 2013 read with the rules made thereunder, listed companies are required to appoint a Secretarial Auditor for a term of up to 5 (five) consecutive years.

To fill the casual vacancy and align with statutory norms, the Board of Directors, based on the recommendation of the Audit Committee/Board, proposes to appoint M/s. Shilpesh Dalal & Co., Company Secretaries (Firm Registration No.: S2001MP041200), as the Secretarial Auditors of the Company for a term of 5 (five) consecutive financial years, commencing from financial year 2026-27 till financial year 2030-31.

3. Eligibility and Profile of the Proposed Auditors:

M/s. Shilpesh Dalal & Co. have provided their formal consent and written eligibility certificate under the relevant provisions of the Companies Act, 2013 and SEBI LODR Regulations. They hold a valid Peer Review Certificate issued by the Institute of Company Secretaries of India (ICSI), fulfilling the eligibility criteria mandated by SEBI. Brief particulars regarding their profile and experience are as follows:

M/s Shilpesh Dalal & Co., having a Firm U.C.N. S2001MP041200, proprietorship since September 2001 — over 25 years of professional standing — with wide-ranging exposure to whole-time practising company secretarial functions and corporate governance. The firm is based in Indore, Madhya Pradesh. The firm is an independent professional consultancy across all aspects of company secretarial practice and allied corporate laws. The areas of expertise include the Companies Act, Secretarial Audit, SEBI and Stock Exchange compliances, IPO-related compliances, and representation before the National Company Law Tribunal (NCLT), supported by an efficient and qualified staff with varied experience across Company Law, SEBI, and Stock Exchange matters, along with well-established systems and procedures for conducting secretarial audits, rendering compliance consultancy, and

liaising with the relevant government departments.

4. Interest of Directors and Key Managerial Personnel (KMP):

None of the Directors, Key Managerial Personnel (KMP) of the Company, or their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Resolution set out at Item No. 5 of the Notice, except to the extent of their shareholding in the Company.

The Board recommends the Ordinary Resolution set forth in the Notice for approval by the Members.

Item No. 6

Alteration of the Main Objects Clause of the Memorandum of Association

The Company proposes to venture into the energy sector to meet its growing internal power requirements through captive generation and to explore business opportunities in renewable and non-conventional energy sources, including solar and wind power.

To enable the Company to carry on these activities legally, it is necessary to amend the Object Clause of the Memorandum of Association (MOA) by inserting a new clause detailing energy generation, power distribution, solar unit

installations, and captive power setup.

Pursuant to Section 13 of the Companies Act, 2013, any alteration of the Object Clause of the MOA requires approval from the shareholders by way of a Special Resolution followed by registration with the Registrar of Companies (ROC).

A copy of the existing MOA along with the proposed alterations is available for inspection by Members at the Registered Office of the Company during normal business hours on any working day up to the date of the Annual General Meeting.

None of the Directors, Key Managerial Personnel (KMP) of the Company, or their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their shareholding in the Company.

The Board recommends the Special Resolution set out at Item No. 6 of the Notice for approval by the Members.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Developments

The Indian pipe and polymer industry has witnessed

substantial growth, driven by infrastructure development, urbanization, and increasing demand in sectors such as irrigation, water supply, construction, and telecom. The plastic pipe segment, particularly uPVC, CPVC, HDPE, and PPR pipes, continues to dominate due to cost-effectiveness, durability, and ease of installation.

The Government of India's initiatives like Jal Jeevan Mission, Smart Cities Mission, and PM Awas Yojana have contributed significantly to the demand for pipes. In addition, the polymer industry has benefited from increasing applications across consumer goods, automotive, healthcare, and packaging sectors.

However, the industry remains sensitive to raw material price volatility, mostly linked to crude oil prices and global supply chain disruptions.

The Indian plastic industry clearly has the potential to continue its fast growth. However, over the years, competition in the industry has increased considerably. To survive the competition, both polymer manufacturers and processors will need to adopt radically new methods and approaches to reduce costs, improve market and customer service and management of performance. The per capita consumption of plastics in India is well below the world average.

However, it also reflects many years of growth ahead, as the country's economy continues to grow and upgrade the usage of products. Translating the expected growth rate into incremental demand, it is obvious that the country will remain one of the largest sources of additional demand for almost all kinds of plastics.

Hence, it is clear that plastics will continue to be a growth industry, with boosting prospects for fresh investments in polymerization and downstream processing capacity. This is in contrast to the situation in various other countries, where growth prospects are limited, either because of stagnant demand or due to the historical over building. In such countries, the overall outlook would be far less promising, with the key imperatives being cost cutting and capacity rationalization.

Outlook

Dwelling on the Outlook for, the Survey says, India's

recovery from the pandemic was relatively quick, and growth in the upcoming year will be supported by solid domestic demand and a pickup in capital investment. It says that aided by healthy financials, incipient signs of a new private sector capital formation cycle are visible and more

importantly, compensating for the private sector's caution in capital expenditure, the government raised capital expenditure substantially.

Budgeted capital expenditure rose 2.7 times in the last seven years, from FY16 to FY26, re-invigorating the Capex cycle. Structural reforms such as the introduction of the Goods and Services Tax and the Insolvency and Bankruptcy Code enhanced the efficiency and transparency of the economy and ensured financial discipline and better compliance, the Survey added.

Global growth is forecasted to slow from 3.2 per cent in 2022 to 2.7 per cent in 2023 as per IMF's World Economic Outlook, October 2022. A slower growth in economic output coupled with increased uncertainty will dampen trade growth. This is seen in the lower forecast for growth in global trade by the World Trade Organization, from 3.5 per cent in 2022 to 1.0 per cent in 2023.

On the external front, risks to the current account balance stem from multiple sources. While commodity prices have retreated from record highs, they are still above pre-conflict levels. Strong domestic demand amidst high commodity prices will raise India's total import bill and contribute to unfavourable developments in the current account balance. These may be exacerbated by plateauing export growth on account of slackening global demand. Should the current account deficit widen further, the currency may come under depreciation pressure.

Entrenched inflation may prolong the tightening cycle, and therefore, borrowing costs may stay 'higher for longer'. In such a scenario, global economy may be characterised by low growth in FY24. However, the scenario of subdued global growth presents two silver linings – oil prices will stay low, and India's CAD will be better than currently projected. The overall external situation will remain manageable.

Opportunities

The future of the Indian plastic pipe market looks attractive

with opportunities in the potable water supply, wastewater supply, agriculture, infrastructure and chemical sector. While agriculture sector is expected to remain the largest growth driver, growth of residential and commercial construction and the growth in infrastructure development are expected to spur growth for this segment. Furthermore, with the key market players integrating more back-end exploration and refining businesses, alongside streamlining their sourcing operations, opportunities are expected to increase in the coming years.

India is facing one of its major and most serious water crises. There is acute shortage of water in both urban and rural areas due to erratic rainfall patterns and decreasing natural sources

of water. More than fifty percent of the country is grappling with drought-like conditions and groundwater is declining faster than it is being replenished. The Union government recently formed a new Jal Shakti (water) ministry, which aims at tackling water issues with a holistic and integrated perspective on the subject. The ministry has announced an ambitious plan to provide piped water connections to every household in India by 2024 which bodes well the industry. Also, the agricultural sector which currently consumes about 80 percent of water in India is likely to be further incentivized to adopt water saving techniques using micro irrigation/drip irrigation.

In the past few years, government of India has initiated many new projects and investments in the irrigation sector. Government's thrust on reviving the farm sector through various initiatives and reforms such as increasing minimum support price, direct income support and interest subvention on crop loans augurs well for the sector. The focus of the government is on rural water management, which will be fulfilled only when there will be proper infrastructure for the transportation of water to the end-user. This factor will remain as one of the major drivers for the growth of PVC pipe industry in the country along with the expansion of housing sector and increasing demand for oil and gas transportation. It has also been anticipated that both urban and rural areas in India are likely to suffer from water shortage problems due to erratic rainfall patterns and decreasing natural sources of water. This will lead to the construction of more borewells across the country to draw groundwater.

Multiple schemes and projects launched in last couple of years are leading to higher demand for pipes. Some of the Schemes are as under:

- **Housing for all by 2022:** Pradhan Mantri Awas Yojna (PMAY) is an GoI initiative in which affordable housing will be provided to the urban poor with a target of building 2 crore affordable houses by 31 March 2022.
- **Smart cities mission:** It is an urban renewal and retrofitting program with the mission to develop 100 cities across the country making them citizen friendly and sustainable. The Government increased allocation for the Smart Cities Mission by 7% to Rs 6,600 crore in Union Budget 2019. Since the launch of the mission, a total of 5,151 projects have been identified and are in various stages of implementation in 100 cities.
- **AMRUT:** The Atal Mission for Rejuvenation and Urban Transformation (AMRUT) was launched with the focus to establish infrastructure that could ensure adequate robust sewage networks and water supply for urban transformation by implementing urban revival projects. An investment of Rs 50,000 crore has been approved by the cabinet.

- **National Rural Drinking Water Programme:** The main objective of this scheme is to provide rural people adequate safe water for drinking, cooking and ensure that all the sections of the communities have access to safe drinking water. This scheme seeks to prevent the contamination of water.

Pradhan Mantri Krishi Sinchayee Yojana (PMKSY):

Through this scheme the GoI aims to increase cultivation area with assured irrigation, reduce wastage of water and improve water use efficiency. The initiative not only on creating sources for assured irrigation, but also creating protective irrigation by harnessing rainwater.

Threats

There is a need to keep vigil on the quality of products being offered in market place as many players have joined the wagon. Constant increase in prices of Raw Material is a severe issue for the PVC Pipes since it has a direct effect over the prices of finished goods product demand.

There are many other threats which includes increasing crude oil prices, import threat from Middle East, neighboring countries specializing in processing industries could lead to imports and replacement threat from substitutes.

Future Outlook

With government policies promoting infrastructure, irrigation, sanitation, and housing, the outlook for the pipe and polymer industry remains positive. The Company aims to:

- Expand its dealer/distribution network across India.
- Introduce new product lines in value-added segments.
- Enhance manufacturing efficiency through automation and process optimization.
- Invest in R&D for sustainable and innovative polymer solutions.

Internal Control Systems

The Company has a well-established internal control system commensurate with the size and nature of its operations. These controls ensure accurate and reliable financial reporting, safeguarding of assets, and compliance with laws and regulations. Regular internal audits and management reviews are conducted to maintain the effectiveness of the system.

Human Resources

The company continues to maintain a strong relationship with its employees, in order to improve their efficiency level at the workplace. The Company provides employees with numerous opportunities to increase their knowledge, skills and abilities and enables them to grow in their careers.

We have conducted the Secretarial Audit of the compliance with applicable statutory provisions and the adherence to good corporate practices by **Signet Industries Limited** (hereinafter called the company). A secretarial audit was conducted in a manner that provided us with a reasonable basis for evaluating corporate conducts/statutory compliances and expressing our opinion thereon.

Auditor's responsibility

Our responsibility is to express an opinion on compliance with the applicable laws and maintenance of records based on audits. We have conducted the audit in accordance with the applicable Auditing Standards issued by The Institute of Company Secretaries of India. The Auditing Standards require that the Auditor comply with statutory and regulatory requirements and plan and perform the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of the Secretarial Audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended March 31, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under read with notifications, exemptions and clarifications thereto;

DEMATERIALIZATION OF SHARES AND LIQUIDITY

99.91 % of the equity shares of the Company have been dematerialized (NSDL 55.03 % and CDSL 44.88 %) as on March 31, 2026. The Company has entered into agreements with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) whereby shareholders have an option to dematerialise their shares with either of the Depositories.

Dematerialization of Shares – Process

Shareholders who continue to hold shares in physical form

are requested to dematerialize their shares at the earliest and avail the benefits of dealing in shares in demat form. For convenience of shareholders, the process of getting the shares dematerialized is given hereunder:

- Demat account should be opened with a Depository Participant (DP).
- Shareholders should submit the Dematerialization Request Form (DRF) along with share certificates in original, to their DP.
- DP will process the DRF and will generate a Dematerialization Request Number (DRN).
- DP will submit the DRF and original share certificates to the Registrar and Transfer Agents (RTA), which is Ankit Consultancy Private Limited.
- RTA will process the DRF and confirm or reject the request to DP/ depositories
- Upon confirmation of request, the shareholder will get credit of the equivalent number of shares in his demat account maintained with the DP

CONSOLIDATION OF FOLIOS AND AVOIDANCE

OF MULTIPLE MAILING

In order to enable the Company to reduce costs and

duplicity of efforts for providing services to investors, members who have more than one folio in the same order of names, are requested to consolidate their holdings under one folio. Members may write to the Registrars & Transfer Agents indicating the folio numbers to be consolidated along with the original shares certificates to be consolidated.

RECONCILIATION OF SHARE CAPITAL AUDIT REPORT

As stipulated by SEBI, a qualified Practicing Company Secretary carries out Secretarial Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. This audit is carried out every quarter and the report thereon is submitted to the Stock Exchanges where the Company's shares are listed. The audit confirms that the total Listed and Paid-up Capital is in agreement with the aggregate of the total number of shares in dematerialised form (held with NSDL and CDSL) and total number of shares in physical form.

COMPLIANCE WITH SECRETARIAL STANDARDS

The Institute of Company Secretaries of India, a Statutory Body, has issued Secretarial Standards on various aspects of corporate law and practices. The Company has complied with each one of them.

Independent Auditors Report

To,
The Members of
Signet Industries Limited
Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Signet Industries Limited ("the Company"), which comprise the balance sheet as at 31st March 2026, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2026 and its profit (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	Auditor's Response
Evaluation of uncertain tax positions The Company operates in multiple jurisdictions and is subject to periodic challenges by local tax authorities on a range of tax matters during the normal course of business including direct and indirect tax matters. These involve significant management judgment to determine the possible outcome of the uncertain tax positions, consequently having an impact on related accounting and disclosures in the financial statements.	Our audit procedures include the following substantive procedures: • Obtained understanding of key uncertain tax positions; and We along with our internal tax experts - - Read and analysed select key correspondences, external legal opinions / consultations by management for key uncertain tax positions; - Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the tax provisions; and Assessed management's estimate of the possible outcome of the disputed cases

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and

Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in

doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the company's (Indian Accounting Standard) Rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statement in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

and Auditors) Rules, 2014.

- c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rules framed there under.
- e. On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 37 to the financial statements;
 - ii. The Company did not have any long-term contract including derivative contract which there were any material foreseeable losses.
 - iii. There has been delay in transferring amount of Rs. 10.73 lacs which is required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (A) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or

- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(B) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(C) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv) (A) and (iv) (B) contain any material mis-statement.

- v. The dividend declared or paid during the year are in compliance with Section 123 of the Act.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated

throughout the year for all relevant transactions recorded in the software except that stock register and register for property plant and equipment is maintained in software which has no audit trail feature. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As per information and explanation given to us the audit trail of prior year (s) has been preserved by the company as per the statutory requirements for record retention.

- h. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 read with Schedule V to the Act.

 - c. The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, the provision of para 3 (xvi) (c) of the Order is not applicable to the company.
 - d. The Group has no CIC. Therefore, the provision

of para 3 (xvi) (d) of the Order is not applicable to the company.

xvii. The company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly reporting under para 3(xviii) of the order is not applicable.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any

assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. According to the information and explanations given to us and on the basis of our examination of the records, there are no amounts unspent in respect of corporate social responsibility towards ongoing or other than ongoing projects and hence reporting under clause 3(xx) (a) and (b) of the Order is not applicable to the Company.

xxi. The company has no component and preparation of consolidated financial statement is not applicable to the company, therefore reporting under para 3 (xxi) of the Order is not applicable to the company.

Annexure B To the Independent Auditor's Report of even date on the Financial Statements of Signet Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Signet Industries Limited as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was

established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements. Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial

reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note: 45 - (a) Financial risk management objectives and policies**Risk management framework**

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of risks on its financial performance. The Company's risk management assessment policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management of these policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee are responsible for overseeing these policies and processes.

a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the companies income or value of it's holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Interest rate risk

Interest rate risk is the risk the the fair value or future cash flow of a financial instrument will fluctuate because of changes in

market interest rate. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing financial instrument because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing financial instrument will fluctuate because of fluctuations in the interest rates.

The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks and others. Currently company is not using any mitigating factor to cover the interest rate risk.

Others	15,748.75	10,199.66
Total borrowings	43,731.52	36,772.76

Interest rate sensitivity

The Company has taken Intercompany loan at fixed rate of interest and are carried at amortised cost. They are therefore not

subject to interest rate risk as defined in Ind AS - 107, since neither the carrying amount nor the future cash flow will fluctuate because of change in market interest rate.

The sensitivity analysis below have been determined based on exposure to interest rates (variable) for borrowing at the end of the

reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the

reporting period in case of term loans that have floating rates. If the interest rates had been 1% higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

Particulars	As at 31st March, 2026	As at 31st March, 2025
Impact on Profit or Loss for the year decrease	(270.33)	(245.21)
Impact on Profit or Loss for the year Increase	270.33	245.21

ii) Foreign currency risk

The Company enters into transactions in currency other than its functional currency and is therefore exposed to foreign currency

risk. The Company analyses currency risk as to which balances outstanding in currency other than the functional currency of that Company. The company enters in to derivative financial instrument such foreign currency forward contract and option contracts to mitigate the risk of changes in exchange rate on foreign currency exposure.

Following table analysis foreign currency assets and liabilities on balance sheet date.

(b) Credit risk

Credit risk is the risk that arises from the possibility that the counterparty will not meet its obligations under a financial

instrument or customer contract, leading to a financial loss. Financial assets that are subject to such risk, principally consist of trade receivables, Investments and loans and advances. None of the financial instrumts of the company results in material concentration of credit risk.

Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss. The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Trade and other receivables

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Impaired amounts are based on lifetime expected losses based on the best estimate of the management. Further, management believes that the unimpaired amounts that are past due by more than 180 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. The impairment loss related to several customers that have defaulted on their payments to the Company and are not expected to be able to pay their outstanding balances, mainly due to economic circumstances. The movement in the allowance for impairment in respect of trade and other receivables during the year was as follows.

The ageing analysis of the trade receivables has been considered as under :

Investments

The Company limits its exposure to credit risk by generally investing in counter -parties that have good credit rating . The Company does not expect any losses from non-performance by these counter-parties apart from those already given in financials, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

Cash & Cash Equivalents

The Company holds cash & cash equivalent with credit worthy banks of RS. 16.65 as at March 31, 2026 and RS. 94.46 lacs as at March 31, 2025 The credit worthiness of such banks is evaluate by management on an ongoing basis and is considered to be good.

(c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due.

The Company has obtained fund and non-fund based working capital lines from various banks. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, process and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Signet Industries Limited

A. Company Information

Signet Industries Limited (the company) is a public limited company (CIN L51900MH1985PLC035202) incorporated on January 29, 1985 under the Companies Act 1956, having its Registered Office in Mumbai. Company is engaged in Merchant Trading of All Kind of Polymers & Other Products and Manufacturing of Micro Irrigation System (DRIP), Sprinkler Pipe / PVC Pipe & Agro fittings and its Allied Products, all type of House Hold & Plastic Moulded Furniture. The Company's shares are listed on Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The Company's shares are traded on both Bombay Stock Exchange and National Stock Exchange of India Limited.

The Financial Statements have been approved for issue by the Board of Directors at its meeting held on 30.05.2026

B. Material accounting policies**Statement of compliance**

- i. The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereto issued by Ministry of Corporate Affairs under section 133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations requires a different treatment.

ii. Basis of Preparation

The financial statements have been prepared on accrual basis and under the historical cost convention except for certain

financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

Functional and presentation currency

These separate financial statements are presented in Indian rupees, which is the Company's functional currency. All amounts have been rounded to the nearest Rupees in lacs upto two places of decimal unless otherwise indicated.

Use of Estimates, Judgments and Assumptions

- iii. The preparation of financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

Significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have significant effect on amount recognized in the financial statements are:

- i. ii. Allowance for bad and doubtful trade receivable.
- iii. Recognition and measurement of provision and contingencies.
- iv. Depreciation/Amortisation and useful lives of Property, plant and equipment / Intangible Assets.
- v. Recognition of deferred tax asset and liability
- vi. Income Taxes.
- vii. Measurement of defined benefit obligation.
Impairment of Non-financial assets and financial assets.
- viii. Fair value of financial instruments

iv. **Revenue****Recognition**

The company recognised revenue i.e. account for a contract with a customer only when all of the following criteria are met:

- (a) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- (b) the entity can identify each party's rights regarding the goods or services to be transferred;
- (c) the entity can identify the payment terms for the goods or services to be transferred;
- (d) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- (e) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession.

Measurement

When (or as) a performance obligation is satisfied, company recognize as revenue the amount of the transaction price

(which excludes estimates of variable consideration that are constrained) that is allocated to that performance obligation. The transaction price is the amount that the entity expects to be entitled to in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, some taxes on sales). The consideration promised may include fixed amounts, variable amounts, or both.

Sale of goods

Revenue is recognised upon transfer of control of promised goods to customers in an amount that reflects the consideration

which the Company expects to receive in exchange for those goods. Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery of goods, based on contracts with the customers. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Further, the revenue amount is adjusted for the time value of money if that contract contains a significant financing component.

Revenue from sale of power is recognised when delivered and measured based on contractual arrangements after giving allowances for wheeling and transmission loss.

Interest and Dividend

Interest income is recognized on accrual basis using the effective interest method. Dividend income is recognised in profit or loss on the date on which the company's right to receive payment is established.

v. **Inventories**

Inventories are valued at lower of cost and net realisable value, except scrap is valued at net realisable value. Cost of

inventory is arrived at by using FIFO Method. Cost of inventory generally comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition.

vi. **Property, Plant and Equipment****Recognition and measurement**

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses (if any). Freehold land is measured at costs.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, acquisition or construction cost including borrowing costs, any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Buildings constructed on leasehold land are depreciated based on the useful life specified in schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building (or rights to continue exist). In other cases,

buildings constructed on leasehold lands are amortized over the primary lease period of the lands. Gains and losses on disposal are determined by comparing proceeds with carrying amounts. These are included in the statement of Profit and Loss.

Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the company and costs of item can be measured reliably.

Capital work in progress

Assets under erection/installation are shown as "Capital work in progress", Expenditure during construction period are shown as "pre-operative expenses" to be capitalized on erection/installations of the assets.

vi. Depreciation

Depreciation on property, plant and equipment is provided on straight line method as per the useful life of the assets in the manner as specified in Schedule II to the Companies Act, 2013. The estimated useful life of assets and estimated residual value is taken as prescribed under Schedule II to the Companies Act, 2013.

Depreciation on additions during the year is provided on pro rata basis with reference to date of addition/installation. Depreciation on assets disposed /discarded is charged up to the date on which such asset is sold.

The estimated useful lives, residual value and depreciation method are reviewed at the end of each balance sheet date, any changes therein are considered as changes in estimate and accordingly accounted for prospectively.

vii. Intangible Assets

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognized.

Recognition and measurement

Intangible assets are held at cost less accumulated amortization and impairment losses. Intangible assets developed or acquired with finite useful life are amortized on straight line basis over the useful life of asset. Computer softwares have finite useful lives and are measured at cost less accumulated amortization and any accumulated impairment losses.

Subsequent expenditure

Subsequent expenditure is capitalized only when it is probable that future economic benefits attributable to asset will flow to the company costs of which can be measured reliably or when the development stage is achieved. All other expenditure, including expenditure on internally generated goodwill and brands, when incurred is recognised in statement of profit or loss.

Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives and is generally recognised in statement of profit or loss. Computer software are amortised over their estimated useful life of 3 years.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted, if required.

viii. Employee benefits

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered by employees is recognized during the period when the employees renders the services. These benefits include compensated absence also.

Defined benefit plans

The company pays gratuity to the employees who have completed 5 Years of service with company at the time when the employee leaves the company as per the payment of gratuity act 1972.

The cost of providing benefits under the defined benefit plan is determined using the actuarial valuation on projected unit credit method made at the end of each financial year.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to

retained earnings through OCI in the period in which they occur. Re-measurements of the net defined benefit liability (asset) recognised in other comprehensive income shall not be reclassified to profit or loss in a subsequent period.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs; and
- Net interest expense or income

Other employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of obligation as at the Balance sheet date determined based on an actuarial valuation.

Defined Contribution Plan

The company's payments to the defined contribution plans are recognized as expenses during the period in which the employees perform the services that payment covers. Defined contribution plan comprise of contribution to the employees' provident fund with government, Employees' State Insurance and Pension Scheme.

ix. Income Tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

Current tax

Current income-tax expense or credit is measured at the amount expected to be paid to the taxation authorities in

accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax also includes any tax arising from dividends.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off deferred tax assets against deferred tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

x. Foreign currency translation

- (i) All transactions in foreign currency are recorded at the rates of the exchange prevailing on the dates when the relevant transactions took place; any gain/ loss on account of the fluctuations in the rate of exchange is recognized in

the statement of Profit and Loss.

- (ii) Monetary items in the form of loans, current assets and current liabilities in foreign currencies at the close of the year are converted in the Indian currency at the appropriate rate of exchange prevailing on the dates of the Balance Sheet. Resultant gain or loss on account of fluctuation in the rate of exchange is recognized in the statement of Profit and Loss.
- (iii) Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated in to functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.
- (iv) In respect of the Forward Exchange Contracts entered into to hedge foreign currency risks, the difference between the Forward Rate and Exchange Rate at the inception of the contract is recognized as income or expense.

xi. Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

Borrowing costs consist of interest and amortization of ancillary costs incurred in connection with the arrangement of borrowed funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

xii. Cash and Cash Equivalent

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalent includes the cash and Cheques in hand, bank balances, demand deposits with bank and other short term highly liquid investments and balances with banks which are unrestricted for withdrawal and usage.

Bank overdraft are shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the cash flow statement. Book overdraft is shown within other financial liabilities in the balance sheet and forms part of operating activities in the cash flow statement.

Cash Flow Statement

xiii.

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xiv. Earning Per Share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Potential ordinary shares shall be treated as dilutive when, and only when, their conversion to ordinary shares would decrease earnings per share or increase loss per share from continuing operations.

Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

xv. Segment Accounting Policies

- (i) The company has disclosed business segment as the primary segment. Based on the criteria mentioned in Ind AS 108 "Operating Segment" the company has identified its reportable segments.

The Chief Operating Decision Maker (CODM) evaluates the company's performance and allocates resources based on an

analysis of various performance indicators by operating segments. The CODM reviews revenue and gross profit as performance indicator for all of the operating segments. The various segment identified by the company comprised as under:-

<u>Name of Segment</u>		<u>Comprised of</u>
Manufacturing	-	Manufacturing of Irrigation and Plastic Products
Wind Power Unit	-	Wind Turbine Power Unit
Trading	-	Merchant Trading of Various Products

- (ii) Segment revenue, segment results, segment assets and segment liabilities include respective amounts directly identified with the segment and also an allocation on reasonable basis of amounts not directly identified. The expenses which are not directly relatable to the business segment are shown as unallocated corporate cost. Assets and liabilities that cannot be allocated between the segments are shown as un-allocable corporate assets and liabilities respectively.

xvi. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognized, but its existence is disclosed in the financial statements

Impairment of Non-Financial Assets

- xvii.** The company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets is considered as cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in profit or loss and reflected in an allowance account. When the company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been in place had there been no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss, taking into account the normal depreciation/amortization.

xviii. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

i. Financial assets

Classification

The Company shall classify financial assets and subsequently measured at amortised cost, fair value through other

comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the

financial asset is adjusted to the fair value, in the case of financial assets not recorded at fair value through profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Financial Assets measured at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

Financial Asset measured at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial assets included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss.

On derecognition of the non-derivative debt instruments designated at FVOCI, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Whereas on derecognition of the equity instruments designated at FVOCI, cumulative gain or loss previously recognised in OCI is reclassified from the equity to retained earnings.

Interest earned whilst holding FVOCI debt instrument is reported as interest income using the EIR method.

Financial Asset measured at fair value through profit and loss (FVTPL)

FVTPL is a residual category for financial asset. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL.

In addition, the company may elect to classify a financial asset, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e. removed from the company's balance sheet) when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- iii. When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that

case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

- iv. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- i. Trade receivables which do not contain a significant financing component.

The application of simplified approach recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

- ii. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ii. Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities measured at fair value through profit or loss.

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the group that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are de-recognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and when the company has a legally enforceable right to set off the amount and it intends either to settle them on net basis or to realize the asset and settle the liability simultaneously

Derivative financial instruments

- xx. The company uses derivative financial instruments, such as forward currency contracts, interest rate swaps and forward commodity contracts, to hedge its foreign currency risks, interest rate risks and commodity price risks, respectively. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

xxi. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

C. Recent Accounting Pronouncement

The Ministry of Corporate Affairs notified new standards or amendment to existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. The Company applied following amendments for the first-time during the current year which are effective from April 1, 2025.

In August 2025, MCA notified the following amendments applicable w.e.f. April 1, 2025 to:

1. Ind AS 1, Presentation of Financial Statements

The amendment relates to classification of liabilities as current or noncurrent and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures.

The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance

arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

3. Ind AS 12, International Tax Reform - Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. Based on its evaluation has determined that it does not have any impact in the financial statements.

4. Ind AS 21 - The Effects of Changes in Foreign Exchange Rates - In May 2025, MCA notified amendments to Ind AS 21 - applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
